WORK EXPERIENCE

Tutor

Sept 2018 – Jan 2019

Kunming, China

- Elevated elementary and high school students' math performance by at least one letter grade on average and improved test scores by up to 20%
- Explored and developed a set of measures to enhance the learning of the students based on their needs and interests (i.e., mind maps, flipped classroom)

EXTRA-CURRICULAR EXPERIENCE

IMES Small Group Leader

Sept 2020 – Apr 2021

UBC International Major Entrance Scholarships Community

- Helping 1st-year students in the group transition to university by facilitating monthly group meetings and supporting group members in personal growth development throughout the school year
- Having developed my teamwork, leadership, communication, and engagement skills by acting as the main liaison between the group and the IMES Community team

VP Internal

March 2021 – Present

UBC STEM Fellowship

- Communicate with the AMS and club executive members professionally regarding club administration
- Serve as a liaison between club members and the executive team

Rescue *Pinus Squamata*

Sept 2014 – Sept 2017

Provincial Forestry Department, Provincial Green Foundation – Kunming, China

- Located the species' ideal habitat for re-plantation purposes by visiting and comparing the species' habitat to the features of other pine species in the areas studied
- Raised public awareness to preserve the rare and critically endangered species of *Pinus Squamata* through writing for the local newspapers and posting on social media channel

Event Planner

Aug 2016 – Sept 2017
